

Above is a suggested Nighttime Flag and below a suggested Daytime Flag for the Arab people.

**Symbolism of the flag:** The flag is square and therefore all four sides have the same length. This speaks of the fact that all people were created equal by God and that he loves us all the same whether we are, male or female, young or old, rich or poor, a powerful leader or an ordinary man on the street. The green grass symbolises life. All people and animals are dependent on the ability of plants to bind carbon from the atmosphere with the help of sunlight and extract minerals from the soil with the help of water and then convert it into food to eat. The green oasis is where Arab culture started and developed from. The Camel has been a part of Arabian culture and livelihood since time immemorial, because of its ability to thrive in the dry desert environment as a pack animal and provider of milk and meat. There is a bright star on the **Night Flag** because when the great Jewish prophet Jesus was born two thousand years ago in a stable in Bethlehem, a bright star guided three wise Arabian men riding on Camels there from the East. They found baby Jesus sleeping in an animal feed trough, which his mother Mary had lined out with linen. They offered him valuable gifts of gold, frankincense and myrrh. They saved the life of baby Jesus after God warned them in a dream not to report the location of Jesus to king Herod, because he wanted to murder him. Jesus was eventually murdered by the leaders of his own nation because he claimed to be God. The only problem is that flags are not raised during the nighttime. Unfortunately, its therefore best the Arabs forget about the Night Flag even though their favourite place Mecca is displayed on it. The **Day Flag** has a typical bright blue Arabian Skye and a warm (love) yellow sun (The little Jewish star born in Bethlehem) that provides light (truth) for all to see. The grass is green, because if the people of the Middle East would **change** their **dark beliefs** (that they inherited from their **dark deceptive leader** who in turn received it from a **dark force** inside a **dirty dark bat infested cave** through violent means) for **the truth** that was revealed by the little Jewish star during his ministry, rain will fall regularly and abundantly in the dry Middle Eastern desert. This green grass will signify the transition from death to **life of the people**.

**Isaiah 43** <sup>18</sup>“Remember not the former things, nor consider the things of old. <sup>19</sup>Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert. <sup>20</sup>The wild beasts will honor me, the jackals and the ostriches, for I give water in the wilderness, rivers in the desert, to give drink to my chosen people, <sup>21</sup>the people whom I formed for myself that they might declare my praise.”

3.Yes, President Trump. I am very happy. It has rained abundantly for the first time in many years in my water scarce country. Teheran has had severe water shortages for very long. We did not even have enough water for shaving. Just look at me.

1.Good morning, Mr America. My stomach has been screaming for Ice Cream since I set foot on this beach! Why aren't these Jews selling any Ice Cream?

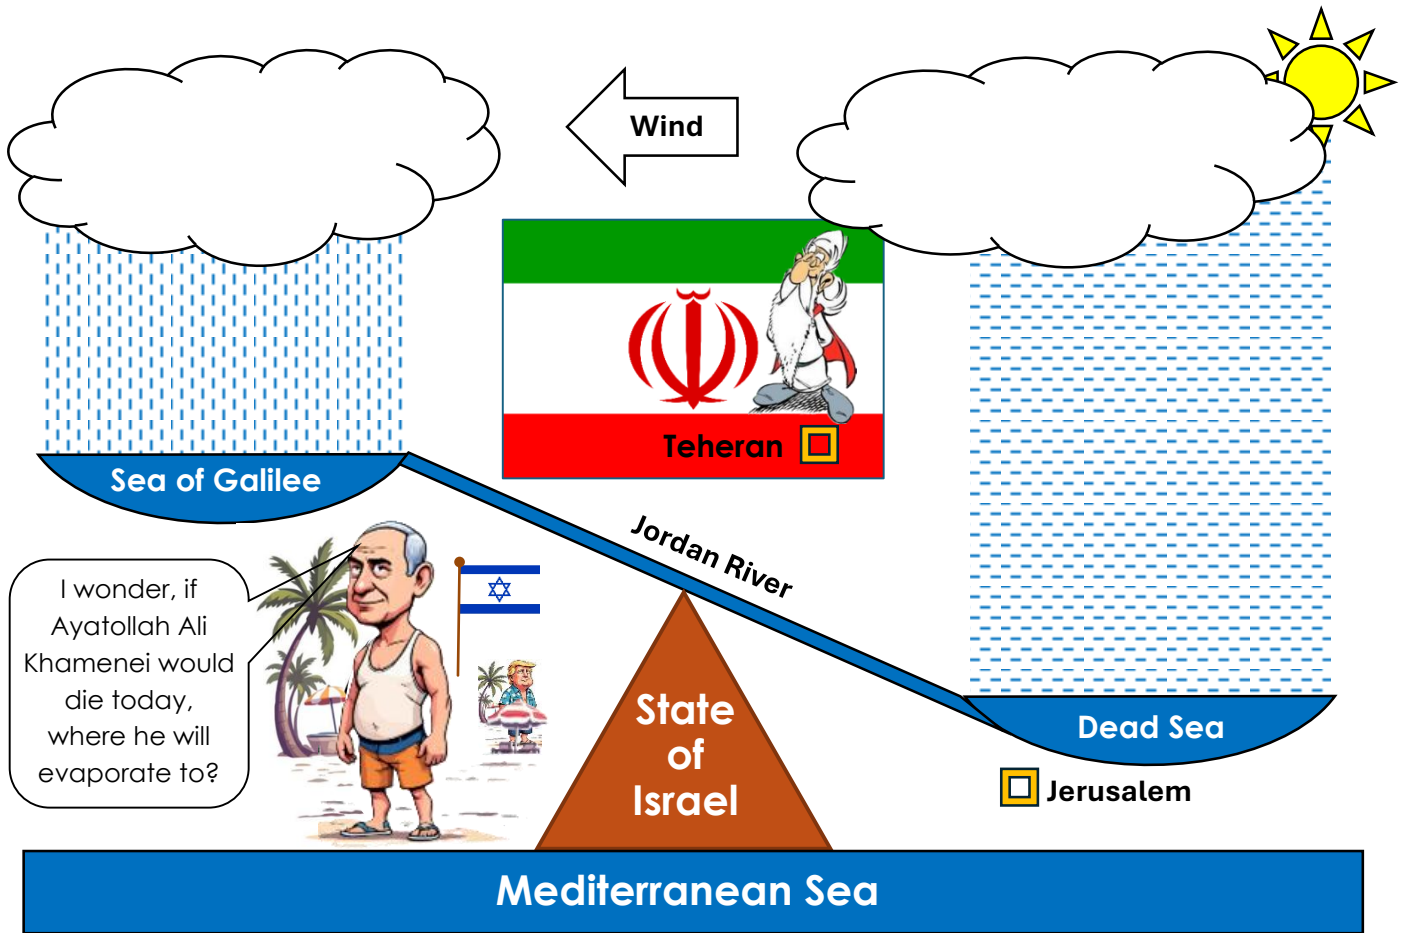

2.Good morning, Ayatollah Ali Khamenei. Strange, you are looking very pleased to see me today. I am glad to see you have stopped wearing that thick turban. It must be very hot to wear it in summer. You won't find Ice cream here. Ice Cream is not Kosher for all these health-conscious Jews of Tel Aviv.

4.So, when are you planning to shave off that long beard of yours, now that you finally have the water for it?

5.The problem is that because everyone stopped shaving, the shops in Iran also stopped selling shavers. I came to Tel Aviv especially to shop for a new shaver that will cut tough beard.

6. Tough men have tough beards. That's why I shave only with the sharpest and highest quality razors made in the good old USA.

**The Commandments of God**  
**6. You shall not murder.**  
**7. You shall not commit adultery.**  
**8. You shall not steal.**  
**9. You shall not bear false witness against your neighbour.**  
**10. You shall not covet your neighbour's house, his wife, or his male servant, or his female servant, or his donkey, or any of his things.**

**Life of Ayatollah has Sin**

**Justice:** Fairly punishing the perpetrator in equal measure to his mistreatment of the victim, because it is fair to both. Transgression = Fair Punishment

Iran needs a big atomic bomb to evaporate all the Jews of Israel, even if some Palestinians die also. Bad luck.

**HELL**

**Matthew 5** <sup>21</sup>"You have heard that it was said to those of old, 'You shall not murder; and whoever murders will be liable to judgement.' <sup>22</sup>But I say to you that everyone who is angry with his brother will be liable to judgement; whoever insults his brother will be liable to the council; and whoever says, 'You Fool!' will be liable to the hell of fire. <sup>25</sup>Come to terms quickly with your accuser while you are going with him to court, lest your accuser hand you over to the judge, and the judge to the guard, and you be put in prison. <sup>26</sup>Truly, I say to you, you will never get out until you have paid the last penny."

**Romans 3** <sup>9</sup>What then? Are we Jews any better off? No, not at all. For we have already charged that all, both Jews and Greeks, are under sin, as it is written: "None is righteous, no, not one; <sup>11</sup>no one understands; no one seeks for God. <sup>12</sup>All have turned aside; together they have become worthless; no one does good, not even one." (Psalm14:1-3)

**John 3** <sup>16</sup>"For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life."
