The New Quran

The Roadmap Manuel to Peace in the Middle East

The only thing that stands in the way of the creation of a Peaceful and Prosperous Middle East is the Infidels of Islam. The Middle East is the Cradle of Human Civilisation, yet it has fallen far behind places that were once uncivilized during it's heyday, like Europe. One thousand years ago the economic output of the Middle East was ten times that of Europe. It all changed due to the influence Imams had on the decisions of the rulers.

Introduction

The Goal of The New Quran is:

- To help the Followers of the religion of Islam to be better informed about the aspects of Islam that the Imams, Mullahs, Muftis and other Muslim Clerics never teach them in the Mosque.
- The Jews lack the New Testament, that compliments the Old Testament to form the whole Bible, and therefore don't get a total perspective on their religion. Similarly the Muslims also lack The New Quran, that compliments that very Old Quran to create the Whole Truth of Islam, and therefore don't get a total perspective on their religion.
- The New Quran is therefore the Final Revelation of the Holy Islamic Texts.
- The Main Goal of the New Quran is to help every Muslim, that studies it and believes its message to go to Heaven in the next life in a Peaceful manner, and not worry about Hell .

Basic Layout of First Half of booklet

Expose Islam as a gigantic deception of millions of people since its inception in the 7th century.

1. The Islamic scriptures are littered with lies, faults and irrelevant statements.
2. The history of how Islamic scriptures came into existence makes them invalid.
3. The early Mosques' Kibla or prayer direction is not pointing at Mecca but rather at Petra.
4. All the historic evidence shows that Mecca did not exist during the lifetime of Mohammed.
5. Prophet Mohammed has many characteristics that disqualifies him as a messenger of God.
6. The historical evidence shows Mohammed as portrayed in Islam never existed.
7. Alah has the physical characteristics of a monster and is unfair, dishonest and domineering.
8. Islam started in governing circles in Damascus and developed more in other far-flung domains.
9. Ramadan is impractical since daylight varies over longitude. Its therefore not divinely inspired.
10. The Five Pillars of Islam is an illogical path to heaven because its not build on justice.

Basic Layout of End Half of booklet

The Last half of the booklet consists of one of the Gospels where the Good Shepherd is introduced.

- In order to help the Infidel forsake his false belief system he has to be exposed to the truth so that he can make a comparison between Islam and the True Way.
- It will end with an explanation of the basic truths that must be understood and accepted to be right with God and become a new creation, guided by the truth of God.
- If the Infidels just forsake their dark ideology because its false and do not embrace the True Way, but become irreligious, they may end up in even more darkness. The majority of evil governments of the 20th century have all been led by atheists.

Summary

The secret to achieving Peace in Israel is to achieve UNITY

- within the minds of all its inhabitants
- as well as within the minds of all Middle Easterners,
- because Israel's enemies are spread throughout the Middle East thanks to Islam.

- One People
- One Government
- One Law
- One God

- ❖ In order to build a House of Peace you have to lay a Foundation of Peace first.
- ❖ Islam is a Foundation for War not Peace.
- ❖ Jesus the Messiah or Christ is the only Foundation upon which Israel can build a House of Peace.
- ❖ First there has to be Peace between God and Man and then He will give Peace between Man & Man.

Why Israel must defeat Islam.

- The ideology of Islam poses an existential threat to the existence of the State of Israel as well as to the Jewish people as a race worldwide. The Quran is more antisemitic than Mein Kampf! All Israel's enemies are inspired by the teachings of Islam.
- Islamic texts encourages its adherents to disrespect, murder and eventually even totally annihilate all Jews like has happened in many smaller pogroms over the centuries. It sketches Jews as scum of the earth and the Infidels of Islam as superior to all other people. It is this same dark mentality that the Nazis used to justify the genocide of all the European Jews. If the wrong Islamist gets power in the wrong place he can use the military powers of his state to attempt the eradication of the Jews and use the teachings of Islam to justify it, because it is commanded by Allah.
- A dark murderous barbaric group like ISIS is the best modern example of how Islam really looks if its ideology is followed to the letter. To be a fundamentalist or a radical in religious terms means simply to be unpragmatic in interpreting your religious texts. You make no compromises to soften its values and teachings to fit into the demands of current society to make yourself and your religion more acceptable. In other words you interpret the text in an orthodox manner like it should be done and not in a liberal manner to suit yourself. You regard God's instructions as absolute and true and respect his authority and will. Moderate Muslims do not represent the true version of Islam. The modern shift towards fundamentalism in Islam is simply an attempt to reform Islam back to its roots. The same idea happened in Christianity 500 years ago under the leadership of Martin Luther who translated the Bible into German and printed it on the first printing press so that ordinary Christians could read it in a language they understood and therefore follow its instructions. Christianity however does not inspire terrorism and authoritarian government domination through the use of unfair violence on its own citizens to stay in power.
- The State of Israel will never experience peace as long as it is infiltrated and surrounded by Islam.
- If all Islamic dominated countries can ban the free practice of all other religions in their land, then surely it is not unfair if Israel focusses on helping Muslims between their borders find the truth. No one in any country has the legal right to hold on to a belief system that justifies and commands him to hate and murder his fellow citizens. Israel is one place where Islam can't be tolerated.

The seed that gave rise to Islam and its persecution of the Jews.

Unfortunately Islam exists today because of the bad choice Abraham and Sarah made when they doubted God's ability to give them a son in their old age. Sarah told Abraham to take her slave girl Hagar as wife to have a son with him to be their heir. Out of their relationship was born Ishmael whom Islam belief is their forefather. After Sarah became pregnant with Isaac there came first strife between Sarah and Hagar and later strife between Isaac and Ishmael. These two respective strife's were started by Hagar first and Ishmael later. The result was Hagar and her Son Ishmael lost their position in the household of Abraham and had to leave. To this day this battle is still raging because Ishmael's descendants, the Islamists, are still stirring up strife with Isaac's descendants, the Israeli's. The name Ishmael means "God hears". Hagar gave this name to her son because God saw her desperate plight and helped her after she first fled the house of Abraham and was later cast out. God told her Ishmael's descendants would also become a great nation. He would be in conflict with everyone and would dominate others. This is really the spirit of Islam. Islam was started by a religious group called the Ishmaelites in the area of current day Siria. They borrowed their main ideas from false Christian teachers and Judaism. Judaism has the Sabath and a Kosher diet. Islam has Ramadan and Halal diet. The Israelites marched around Jericho seven times on the seventh day and the Infidels of Islam marches around the Kaaba of Mecca seven times. Judaism has it's temple towards which Jews face when praying and Islam has the black stone in the Kaaba of Mecca towards which they face when they pray. Christianity has Jesus as God's final and great messenger of his will and Islam has Mohammed as God's final and great messenger. Jesus went to heaven from a mountain with his disciples as eyewitnesses and Mohammed flew to Jerusalem on a donkey from where he went to heaven. The main characters in the Bible are also mentioned in the Quran but their life stories and real historic context is left out. If they just stayed there things would not have been so bad, but they also introduced this idea of Jihad. Through Jihad an Islamist is certain of going to heaven if he dies promoting Islam in a Holy War. There is no assurance for the Infidels of Islam of going to heaven outside of Jihad .This very conveniently encourages bravery in warfare for the benefit of the state. This idea hearkens back to the most darkest practices of idolatry in ancient Canaan when idolaters would sacrifice their own children for their gods. It's no wonder, because Islam was started by pantheistic Idolaters who copied some of their old practices into the new monotheistic religion they started. Both the Black stone in the Kaaba and the name of Alah their God are carry overs from religious practices that took place in the ancient city of Petra. Islam is simply a Copy Cat religion. Islam even took over the Jewish holy site of mount Zion by claiming Mohammed went to heaven from there.

God has an intense desire to save people from believing in falsehood.

- **Isaiah 42** ¹³ The LORD goes out like a mighty man, like a man of war he stirs up his zeal; he cries out, he shouts aloud, he shows himself mighty against his foes. ¹⁴ For a long time I have held my peace; I have kept still and restrained myself; now I will cry out like a woman in labor; I will gasp and pant. ¹⁵ I will lay waste mountains and hills, and dry up all their vegetation; I will turn the rivers into islands, and dry up the pools. ¹⁶ And I will lead the blind in a way that they do not know, in paths that they have not known I will guide them. I will turn the darkness before them into light, the rough places into level ground. These are the things I do, and I do not forsake them. ¹⁷ They are turned back and utterly put to shame, who trust in carved idols, who say to metal images, "You are our gods."

IS Living A Miracle?

Bye to All of You.

Let's Go! Bye!

Yalla Bye!

Where are the eyewitnesses to this event at night?

Only people with high IQ can believe this

Where is the proof this myth ever happened?

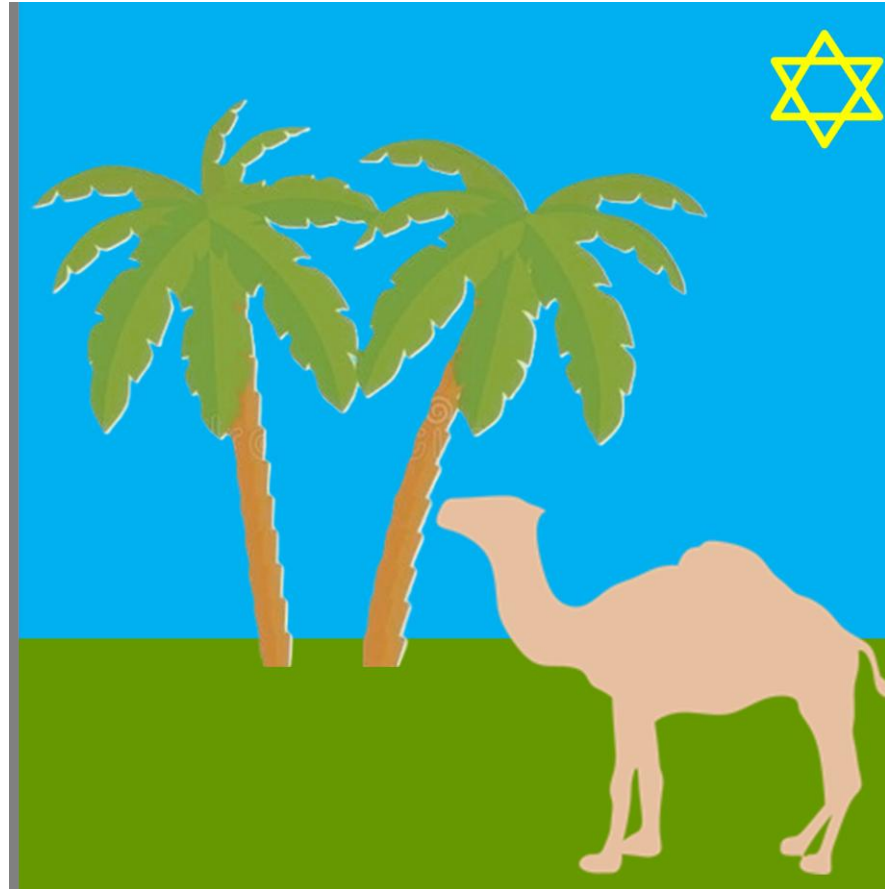

Definitive evidence the Great Prophet Mohammed flew from Mecca to Jerusalem with a donkey.

- **Matthew 24** ²⁴ For false christ's and false prophets will arise and perform great signs and wonders, so as to lead astray, if possible, even the elect. ²⁵ See, I have told you beforehand.
- **2 Thessalonians 2** ⁹ The coming of the lawless one is by the activity of Satan with all power and false signs and wonders, ¹⁰ and with all wicked deception for those who are perishing, because they refused to love the truth and so be saved ¹¹ Therefore God sends them a strong delusion, so that they may believe what is false, ¹² in order that all may be condemned who did not believe the truth but had pleasure in unrighteousness.
- **2 Timothy 4** ³ For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own passions, ⁴ and will turn away from listening to the truth and wander off into myths.

Definitive evidence Santa Claus flies over Europe during Christmas with reindeer pulling a sled full of presents.

- **2 Peter 1¹⁶** For we did not follow **cleverly devised myths** when we made known to you the power and coming of our Lord Jesus Christ, but we were **eyewitnesses** of his majesty. ¹⁷ For when he received honor and glory from God the Father, and the voice was borne to him by the Majestic Glory, "This is my beloved Son, with whom I am well pleased," ¹⁸ we ourselves heard this very voice borne from heaven, for we were with him on the holy mountain. ¹⁹ And we have the **prophetic word more fully confirmed, to which you will do well to pay attention** as to a lamp shining in a dark place, until the day dawns and the morning star rises in your hearts, ²⁰ knowing this first of all, that no prophecy of Scripture comes from someone's own interpretation ²¹ For no prophecy was ever produced by the will of man, but men spoke from God as they were carried along by the Holy Spirit.

God vs a Camel

- **Mark 10** ²⁴ And the disciples were amazed at his words. But Jesus said to them again, "Children, how difficult it is to enter the kingdom of God! ²⁵ It is easier for a camel to go through the eye of a needle than for a rich person to enter the kingdom of God." ²⁶ And they were exceedingly astonished, and said to him, "Then who can be saved?" ²⁷ Jesus looked at them and said, "With man it is impossible, but not with God. **For all things are possible with God.**
